

### By car (Navigation address: Hofplein 20)

#### From Amsterdam / The Hague (A13)

From The Hague (Prins Clausplein) take the A13 in the direction of Rotterdam and follow the signs marked S113. Take the Rotterdam-Centrum exit. At the first traffic lights, go straight ahead. At the next traffic lights turn right towards Maastunnel / Euromast. Note: At the next traffic lights, go straight ahead, but after about 100 meters, go for the right parallel tunnel (direction Rotterdam Central Station). After leaving the tunnel, turn left onto Weena. At the end of the street you reach the Hofplein (recognizable by the fountain). Take the 3rd exit on the roundabout and keep to the right. You drive along the Shell pump. You will find the car park entrance of our office after 50 meters on the right.

#### From Utrecht (A20)

From the A12 take the A20 towards Rotterdam. Continue on the A20 in the direction of The Hague / Hoek van Holland (ring Rotterdam-Noord). Take the exit Schiebroek / Hillegersberg / Centrum (S112) and turn left onto Schiekade. Follow the Schiekade / S112 until you reach the Hofplein (recognizable by the fountain) and take the fourth exit on the roundabout and keep to the right. You drive along the Shell pump. You will find the car park entrance of our office after 50 meters on the right.

#### From Breda / Dordrecht (A16)

From the A16 follow the Rotterdam-Oost ring towards Rotterdam / The Hague. Take the exit Centrum and follow the signs to Centrum. You are now on the Maasboulevard. You follow the Maasboulevard about 3 kilometers. At the Erasmus bridge, turn right onto the Schiedamsedijk. The Schiedamsedijk turns into the Coolsingel. Keep following the Coolsingel until you reach Hofplein. At the Hofplein (recognizable by the fountain) take the second exit on the roundabout and keep to the right. You drive along the shell pump. You will find the car park entrance of our office after 50 meters on the right.

#### By public transport

When you get out of the station, turn left onto Weena. You walk up to the Hofplein (recognizable at the fountain). On the other side you will see Hofplein 20 (high tower) where our office is located.
